

# **REPORT TO NZAP COUNCIL, APRIL 2021**

## **From the Honorary Secretary**

This will be my last report in the role of Acting Honorary Secretary.

There are no remits for this year's upcoming AGM.

Partly because of such an extraordinary year last year we have received no nominations for the Distinguished Service Award or Life Membership and there are also no Te Tohu O Te Pihi Award nominations.

It has been a pleasure in my role to check in weekly with Nikky and wonder at all the details she holds for us all. I wish her all the best in the coming months working with the developing landscape of NZAP.

As you know this will also be one of my last official tasks while on Council. While I am definitely ready to leave I will miss you all – hard working, thinking, passionate colleagues that you are. I am excited by the names of new members looking like joining Council and believe you will be a strong team in 2021 and beyond.

Arohanui mai,

Gerald Maclaurin
